Ottawa, ON K1V 7T3

**RE: Changes to OC Transpo Bus Route 114**

Dear Ms. McDonald,

Please be advised of some important changes to one of the OC Transpo bus routes serving St. Patrick's High School.

Effective June 19, 2016 Route 114 will be changed in the Greenboro East community to operate along Johnston Road and Tapiola Crescent instead of Lorry Greenberg Drive.

This change to Route 114 will affect the special Route 114 St. Patrick's trips.

OC Transpo has made special arrangements, noted below, to ensure that students using these trips are not impacted.

**June 20 to 30, 2016**

For the remainder of this school year during the period of June 20 to 30, the Route 114 St. Patrick's trips will remain unchanged, serving the same bus stops at the same times as they do today.

OC Transpo will communicate this information to customers throughout this month via [octranspo.com](http://octranspo.com) and leaflets on buses.

Students should be aware that during this period all other Route 114 trips during the day will use the new routing via Johnston Road and Tapiola Crescent because this might cause confusion.

Please note that during the examination period, OC Transpo bus service is only provided during the morning.

**September 2016**

Beginning next school year in September 2016, a new Route 698 will operate to replace the Route 114 St. Patrick's trips.

Route 698 will operate along the same streets and at the same times as the Route 114 St. Patrick's trips today.

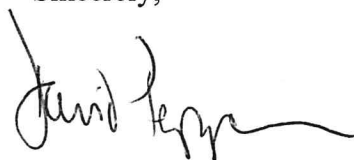

Note that these trips will not travel along Johnston Road and Karsh Drive. Service along these streets will be provided by Route 114.

A map is attached for reference.

More information about this change, including schedules, will be made available this summer as OC Transpo communicates all the fall bus route and schedule changes to customers.

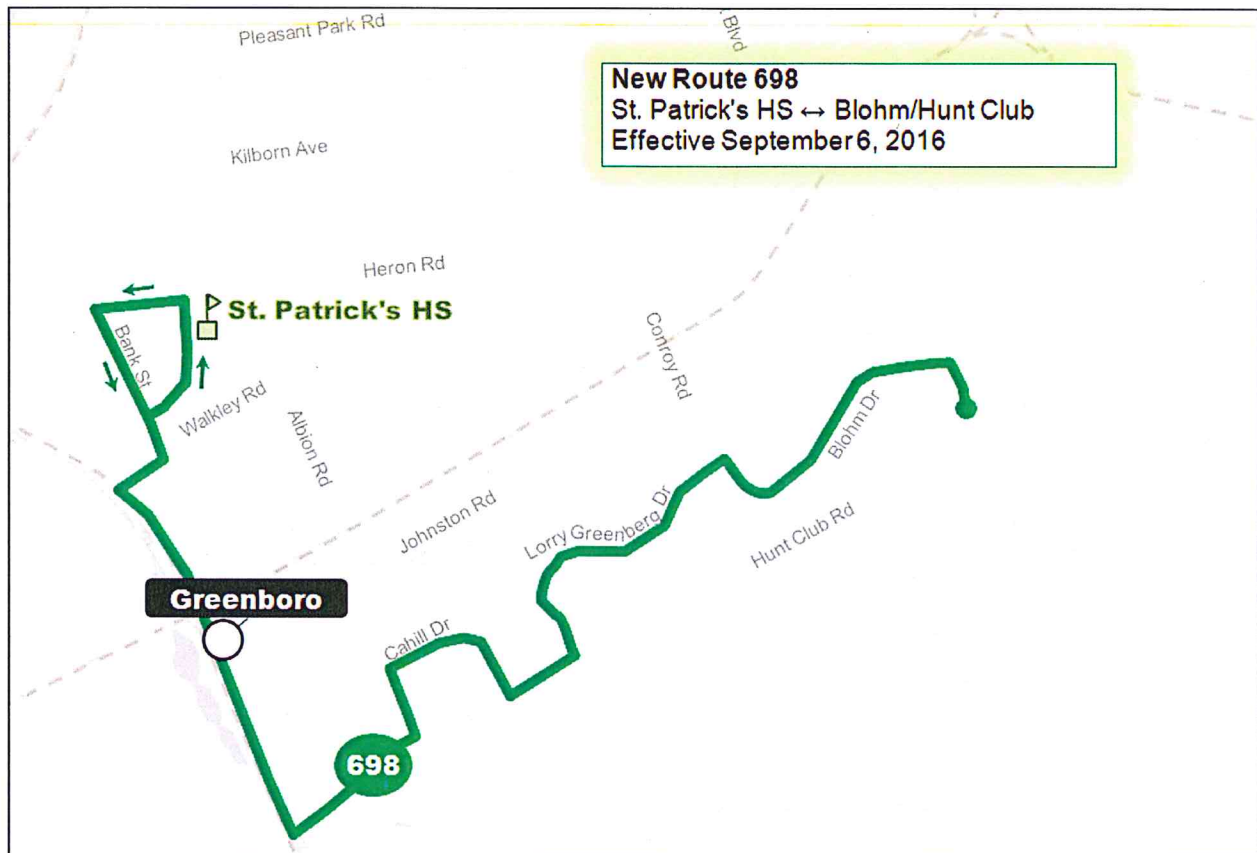

For more information or to ask questions, please visit [octranspo.com](http://octranspo.com) to submit a comment form or call the OC Transpo Information Centre at 613-741-4390.

Sincerely,

David Pepper  
Manager, Customer Services
